Make the MDA your first choice for quality continuing education! Full details on upcoming courses and registration are online now. Just click on this link: michigandental.org/CE-Courses.

CE SPOTLIGHT

Winter Scientific Session Offers 3 CE Courses, Snowtime Fun

It's back — the MDA's 2026 Winter Scientific Session takes place Friday, Jan. 9 through Sunday, Jan. 11 at Crystal Mountain Resort in Thompsonville. It's the perfect blend of family fun and the continuing education you need. Meet your colleagues for a few hours of study each day, then hit the slopes! Choose from a variety of ski packages and accommodations.

This year's speaker for all courses is the well-known Sanjay Chand, MD. Courses include:

- "Pain Management for the Dental Professional" (Friday, Jan. 9, 7–10 p.m.; three CE credits.) This course counts toward the Michigan Board of Dentistry's pain management requirement and the training requirement to obtain or renew the controlled substance pharmacy license for dentists.
- "Infection Prevention and Control in Dentistry" (Saturday, Jan. 10, 8–11 a.m., breakfast provided; three CE credits.) This course counts toward the Board of Dentistry's infection control requirement.
- "Complexity of Drugs and the Dental Practice" (Sunday, Jan. 11, 7:30–10:30 a.m.; breakfast provided;

three CE credits.)

For complete course information, pricing, and course registration, visit michigandental.org/CE-Courses.

Accommodations: To register for rooms visit crystalmountain.com or call 855-520-2974. The Group Code is 46P6CX. Call early for reservations. Reservations must be made by Dec. 10, 2025, to receive the MDA rate, and attendees must stay Friday and Saturday nights.

Free skiing! Crystal Mountain will provide all registered lodging guests affiliated with the MDA Winter Scientific Session complimentary skiing on Friday, Jan. 9, 2026, from 9 a.m. until 9 p.m. Discounted lift tickets may be available by advance purchase. Visit crystalmountain.com for more pricing information.
